Residence has one of the best views that Verbier has to offer.

Perched on the edge of a steep drop the Residence offers uninterrupted views of the surrounding mountains and valley below.

This perfectly positioned 3 bedroom apartment is located directly below the main ski station and a 4 minute flat walk to the centre of Verbier.

The main feature of this property are the views and the living area makes full use of them with large surrounding windows and full length sliding doors that lead out onto the breath-taking balcony.

The master bedroom also boasts similar full length windows and has a large en suite bathroom and separate w/c.

This property is light and warming with cosy furnishings and simple décor.
