Chesa Susauna: Luxury Chalet in Engadine with Sauna and Panoramic Views

Experience alpine luxury at Chesa Susauna, a chalet that combines original architecture with modern design elements. Located in the heart of Engadine, this chalet offers a tranquil and cozy atmosphere, surrounded by pristine nature, less than half an hour's drive from bustling St. Moritz.

The ground floor is ideal for dining, relaxing, and entertaining: an entrance hall with a fireplace and flat-screen TV, a bar area, a cozy dining room, a fully equipped kitchen with a grill, a breakfast area with access to the terrace, and a large living area recreated from an original barn "talvo" with 8-meter high ceilings and panoramic views of the valley.

On the two upper levels, 6 guests can be accommodated in 3 bedrooms. The master bedroom features a walk-in closet, a bathroom with a bathtub and rain shower. This level also has two offices, perfect for combining holidays with "work from home". The two other smaller bedrooms with en-suite bathrooms are located on the upper level.

The lower level provides access to the other two guest bedrooms with en-suite shower rooms, a play area with table tennis, a flat-screen TV, and a sauna, as well as a garage for up to 6 cars, a ski room, and laundry.
