Chalet for rent with 200 sqm with 8 bedrooms for rent in St. Moritz

The smallest municipality in the Upper Engadine is idyllically situated directly on the River Inn. Engadine houses and a cultivated Romanesque everyday culture characterise the charming image.

The perfect accommodation for your stay is the Lodge. It is centrally located and impresses with a breathtaking river and mountain view.

There is room for up to 16 people in eight double rooms.

The Lodge is located in the work yard of the municipality of Madulain. The former staff rooms have recently been converted into charming double rooms and will be rented out to tourists from summer 2020.

The accommodation is divided into two wings, with four double rooms in each wing. Both wings are accessible through a separate entrance.

In the middle is the communal kitchen and lounge. There, a large dining table and the cosy living area with TV and PS4 invite you to linger. The shared bathroom on the floor has two shower cubicles and two separate toilets each.
