

Chalet for rent in Surses

Switzerland, Surses

chalet - REF: TGS-A3934

N° Bedrooms: 2

The Chalet is surrounded by nature in an exclusive place about 200 metres from the ski slopes (Tigignas Station).

The house completely made of wood, including furnishings, welcomes its guests in the typical mountain atmosphere.

The flat has a parking space inside the underground garage with direct access to the accommodation unit.

In addition, there is the possibility of a parking space outside, always adjacent to the property.

Once inside the house, you will find a bright living room with kitchen and the small "Stube" where you can eat.

The main room consists of an armchair, a two-seater sofa and a sofa bed with a 43" television that broadcasts Swiss, German, Italian, French channels and the possibility to use Netflix.

Adjacent to the living room there is an intimate dining area completely made of wood (STUBE) which will allow you to spend your evenings in cheerful company.

The house consists of two bedrooms:

the first master bedroom with double bed and large wardrobe; the second one with bunk bed and wardrobe.

Outside the flat you will find a large garden with deck chairs that will give you the opportunity to relax and enjoy the view of the Graubünden Alps.

It is recommended to come to Chalet with a car suitable for the mountain during the Winter season. (Suv - 4x4 - snow tyres)
